***Luggage Guidelines:**

- **Luggage** is carried & transported by each participant. Limits must be adhered to because of airline regulations and more importantly, space on our buses.
One piece of lightweight luggage will be checked in (no more than 28”x 16”x16” and must be under 50 lbs. total – Overweight luggage will be charged at approximately \$50-\$250-plus for 1-20 lbs. over). Wheel-attached luggage required, rather than separate wheels (**SOFT-DUFFEL** on wheels is the NORM).
- **Luggage Tags:** Apply a substantial name tag to your luggage and carry on for identification purposes. This is in addition to the MOL luggage tags you will receive.
- **Depending on your domestic carrier, checked bags cost between \$25-\$95.** Be sure you have a credit card or money if you have an overweight bag. Check with your carrier as to any “carry-on” costs and restrictions.
- **Carry-on luggage for EL AL Charter:** We advise using the March of the Living backpack as your carry-on bag (Place your March of the Living Name Tag on It). One carry-on bag is allowed but it must be no more than **20” long X 14”wide X 9” high** and fit under the seat and must weigh less than 20 lbs. (we are told that carry-on will be weighed at check in).

***The March of the Living and its affiliates bear no responsibility for luggage or personal effects of the participant, or for any weight overage at the airline check-in counters. Make sure you have the proper insurance coverage.**
