

**MARCH OF THE LIVING – SOUTHERN REGION ADULT BUS
PACKING CHECKLIST -- APRIL 29-MAY 12, 2019**

WEATHER: In most years, we travel through two weather changes during the trip, with Poland having winter-spring conditions and Israel being like summer. However, we have to be prepared for all situations. Temperature ranges in Poland can be between 20 and 75F, and we could experience rain, sleet, snow--or total sun. There is little (though not zero) chance of rain in Israel, where daytime temperatures are expected to be in the 70s and 80s, though mornings and evenings can be chilly. We recommend taking clothing that can be layered and is adaptable to both countries.
